Business Profile

Financial Services Guide (Version 1.4 – November 2023)

Important

We recommend you read this Financial Services Guide (FSG) because it contains important information designed to help you decide whether to use the financial services we offer, including:

- who we are and how we can be contacted
- the initial and ongoing advice and services we provide
- our fees and how we are paid in connection with those services
- information about Keys licensee Pty Ltd, our Licensee
- your privacy
- how we deal with complaints

Lack of Independence Disclosure Notice

We can't call ourselves independent under the current legislation. Here's why.

The law makes it very difficult for most advisers to say they are independent, unbiased or impartial, even if they are not in any way linked to a financial product provider (like a bank or insurance company).

If, for example, an adviser gets paid a commission to help a client arrange some insurance they are automatically prohibited from calling themselves independent. Most advisers who receive those commissions charge their clients very little (if anything) for the advice or the help they provide putting a policy into place. From time to time we receive these commissions from the Product Providers for clients we have assisted in the past.

So, although we always put your interests before ours when giving advice we cannot (by law) call ourselves independent, unbiased or impartial.

About our practice

We understand that everyone's needs and goals are different. Whether you are looking for financial advice to help achieve your long term goals or facing a life changing event, we are here to help you choose the right path.

We undertake continuous professional development and undertake training programs so we are up to date with legislative changes to superannuation, investment, social security and tax environments. We have access to technical, risk and investment research professionals who provide us with additional analysis on strategies and products that become available as a result of these changes.

Most importantly, we turn your thoughts into action. There are no secret formulas to achieving financial security. We work with you to get the basics right and ensure you have a plan to achieve your goals over time.

Keys FP Pty Ltd (ABN 93 064 579 997), Corporate Authorised Representative (ASIC Number 250140), trading as Keys FP is authorised by Keys Licensee Pty Ltd to provide the financial services detailed in this FSG.

Corporate Actions Policy

Listed securities regularly trigger requests for shareholder feedback.

Issuers or Brokers who sponsor holdings will send messages to shareholders seeking their input.

As advisers to people who hold listed securities, we have adopted the following "Corporate Actions Policy":

Should you decide to utilize the Keys 4 Wealth Managed Discretionary Account (MDA) offer, our administrator has the ability to monitor all corporate actions for you and as a consequence, we can provide advice as part of our service offering to you.

However, those clients who hold listed securities outside of the Keys 4 Wealth MDA offer, we are unable to provide this service. The responsibility rests with you to monitor any Corporate Actions relevant to your holdings and you should not rely upon us to advise you on them or alert them of their existence for you.

Transaction services

If you do not require advice from us, but you would like us to help you complete a particular transaction, we can also arrange for you to apply for the kinds of products referred to in your adviser's profile. In these cases, we can act on your instructions and arrange for the transaction to be complete without providing you with personal advice.

In these circumstances we will generally ask you to confirm your instructions in writing and to sign a letter to acknowledge you have declined our offer of advice and that you understand the risks of a transaction service. You will be provided with a copy of the letter for your own records.

You can contact us directly with any instructions relating to your existing financial products. We will accept instructions from our existing clients via telephone, mail or email.

Advice fees

We receive initial and ongoing advice fees and commission for insurance products you purchase. Your financial plan will outline all fees and commissions inclusive of GST.

Initial Advice

Our initial advice fee ranges between \$1,650 and \$11,000 for multiple strategies.

Our initial advice fee covers the cost of researching and preparing your financial plan. Before providing you with initial advice we will prepare an initial advice agreement.

The initial advice agreement sets out what our initial advice will cover and how much it will cost.

If, in developing your financial plan, we identify that you have a complex situation that requires extensive planning and development, our initial advice fee will change. In this case, we will provide you with an upfront quote of the amount payable before we proceed with developing your financial plan.

Ongoing Advice

An ongoing advice fee is a minimum of \$1,500 per annum and is based upon our relationship service agreement.

Our ongoing advice fees ensure your strategy and products are reviewed to help you take advantage of opportunities as they become available. If, during our assessment of your ongoing needs, we identify that you require ongoing advice outside of our standard advice offer, our ongoing advice fee will change. In this case, we will provide you with a quote of what you will be required to pay to receive these services.

Before providing you with ongoing advice we will prepare an ongoing advice agreement.

The ongoing advice agreement will set out what our ongoing advice will cover, your payment method, and how much it will cost.

Additional advice

For additional advice, an hourly rate of \$440.00 (GST inclusive) is payable.

Payment Method & Frequency

The following payment terms are available to you:

- BPAY, direct debit or cheque
- Deduction from your investment
- Ongoing advice fees may be deducted as an annual instalment or in monthly or quarterly instalments.
- Ongoing advice fees may increase each year in line with the Consumer Price Index (CPI) or by a fixed amount or percentage each year. The specific amount will be agreed to by you and outlined in an ongoing advice agreement.

I am paid a salary and bonuses from Keys FP Pty Ltd and I also have equity in the business which may result in me receiving additional capital and profit related benefits.

Documents you may receive

We will provide you a number of documents as you progress through our financial planning process. When we provide personal advice, it will normally be documented and provided to you in a Statement of Advice (SOA), known as a financial plan. The financial plan contains a summary of your goals and the strategies and any financial products we may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits we will receive as a result of the advice we have provided.

If we provide further personal advice, a financial plan may not be required. We will keep a record of any further personal advice we provide you for seven years. You may request a copy of such records by contacting our office during that period.

If we recommend or arrange a financial product for you, we will provide a product disclosure statement (PDS) or investor directed portfolio service (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks as well as the costs you will pay the product provider to professionally manage your investment or insurance.

Who is our Licensee?

To provide financial advice requires the adviser to either hold an Australian Financial Services Licence (AFSL) or be authorised to provide advice by an AFSL holder.
